NON-DISCRIMINATION STATEMENT

A charter school shall not discriminate against or limit the admission of any student on any unlawful basis, including on the basis of ethnicity, national origin, gender, disability, intellectual ability, measures of achievement or aptitude, athletic ability, race, creed, religion or ancestry. A school may not require any action by a student or family (such as an admissions test, interview, essay, attendance at an information session, etc.) in order for an applicant to either receive or submit an application for admission to that school. However, Explore Schools has a set-aside admissions preference for English Language Learners. This preference has been approved by the school's authorizer and is permissible.

The manner in which you submit your application has NO bearing on your child's chances of getting into the school.

ADMISSIONS PREFERENCES

Explore Schools gives the following admissions preferences:

Siblings of currently enrolled students receive first preference. In order to qualify for the sibling preference, families must meet one of the following: 1) Siblings that reside in the same home under the supervision of the same parent(s) or legal guardian(s). 2) Children that reside in the same household that have the same legal guardian. **Legal proof of guardianship and residence is required by the application deadline for both instances.**

Students who reside in Community School District 17 (Explore, Empower, Exceed) or District 18 (Excel) receive second preference. If you do not know what Community School District you live in you can call 311 or visit <http://gis.nyc.gov/dcp/at/f1.jsp>. **If your child is accepted to an Explore Schools location, adequate proof of residence will be required upon enrollment. Failure to provide adequate proof of residence may result in your child's seat being revoked.**

Students whose legal parent/guardian is a staff member at Explore Schools will receive a staff preference. Legal proof of guardianship and residence is required by the application deadline. Staff members should contact their Director of Operations or Assistant Principal of Operations to activate staff preference.

All other students who live in New York State will receive final preference.

If your child qualifies for one of these preferences, he/she will be placed ahead of applicants who do not qualify for these preferences on our waitlist. Once your child has applied, he/she remains on our waitlist year to year, so you do not have to reapply. We will contact you if a spot opens up for your child. Please note, because of our waitlist preferences, your child's number may fluctuate as more students apply.
